

Session Program

16-18 Apr 2012

IWHSS'12

Wednesday Morning - First Session

Lisbon

Wednesday 18 April

09:00

Wednesday Morning - First Session

Session | **Location:** Lisbon | **Convener:** Fabienne Kunne

09:00–09:30

Measurements of the pion polarisability using the Primakoff reaction

Speaker

Jan Friedrich

09:40–10:10

**Nucleon structure using lattice QCD: Moments of generalized parton distributions
QCD**

Speaker

Constantia Alexandrou

10:20
