

ALICE Physics Selection Quality Assurance

By: Kevin McDermott

Advisors: Alexander Kalweit and Michele Floris

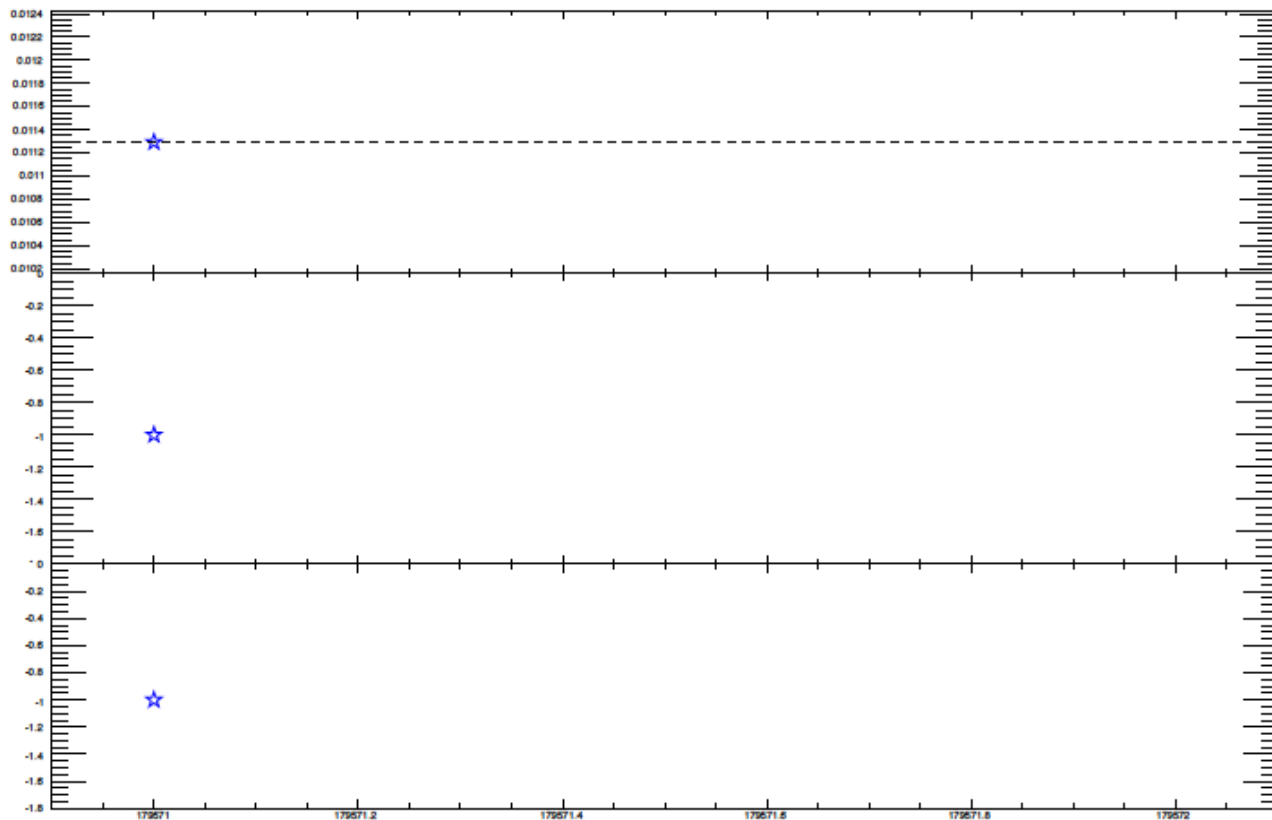

ALICE and PSQA

- Physics Working Group – Physics Performance (PWG – PP)
- Quality Assurance for Physics Selection
- Post processing to ensure online trigger is correctly selecting events
- Restructure Code
- Big Picture: Keeps ALICE running efficiently to gather the best quality data

Foreseeable Difficulties

Tracklets vs Clusters BG Over All, LHC12_Test_cpas1, for kINT7 (top), kINT8 (mid), kMB (bottom)

Adventures
