

8th International Conference on Large Scale Applications and Radiation
Hardness of Semiconductor Detectors (RD07)

Contribution ID: 33

Type: **not specified**

Architecture of a general purpose embedded Slow-Control-Adapter ASIC for future high-energy physics experiments

Friday 29 June 2007 10:45 (25 minutes)

Author: GABRIELLI, Alessandro (Dipartimento di Fisica)

Presenter: GABRIELLI, Alessandro (Dipartimento di Fisica)

Session Classification: Day 3 - Morning session
