# Thursday 8 June

09:00

## Diffraction

**Session** | **Location:** CERN, 40-S2-B01

09:00–09:20

### Hard Rescattering Corrections to Exclusive Higgs Production at the LHC

**Speaker**

Leszek Motyka

09:30–09:50

### Issues Concerning Diffractive Higgs Production

**Speaker**

Alan Martin

10:10–10:30

### Status and Plans for FP420

**Speaker**

Brian Cox

10:40–11:00

### Simulations of Diffractive Higgs Production

**Speaker**

Marek Tasevsky

11:10–11:40

### Coffee

11:40–12:00

### ExHuME Developments and SD Overlap to Exclusive Higgs

**Speaker**

Andrew Pilkington

12:10–12:30

### Luminosity Determination and Forward Physics with ATLAS

**Speaker**

Hasko Stenzel

13:30
