

Session Program

13-14 Sept 2012

2012 CHIPP Annual Plenary Meeting

Low energy precision physics

Kartause Ittingen

Thursday 13 September

16:25

Low energy precision physics

Session | Location: Kartause Ittingen | Convener: G. Colangelo

16:25-16:55

Theory overview - The precision frontier from the hierarchy standpoint

Speaker

R. Rattazzi

16:55-17:05

Discussion

17:05-17:20

Ultracold neutrons and neutron EDM

Speaker

G. Bison

17:20-17:30

Discussion

17:30-17:45

Muon physics and rare decays

Speaker

A. Papa

17:45-17:55

Discussion

17:55-18:10

Exotic atoms

Speaker

P. Crivelli

18:10-18:20

Discussion

18:20
