All timestamps are stored as UTC, and displayed in your timezone (as defined in your account settings). You may enter them in whatever timezone you wish (default: your user timezone).

## Process status

Step	Progress
1 : Bdi -> CIC db	100%
2 : Goc interface	90%
3 : GOC -> CIC	100%
4 : Broadcasting tool	80%

The process will be ready in 2 weeks after the EGEE conference.
