INFSO-RI-508833

- **Latest version of OPS manual released on 30th of July 2007**
- **What is needed:**
 - Update on description of GOCDB-3
 - Describe the new downtime procedure when put in place
 - Some minor changes reported to me
 - Separation of sites responsibilities and COD responsibilities
 - Separation of Policy issues from procedural issues (this is needed by SLA-WG)
- **Issues:**
 - Philippa left. Kai is in another WG
 - Who volunteers?
- **General Issues**
 - Please topic leaders update your wish lists (action lists)
