

The network of knowledge

BEgrid

NA3 Partner Review

Rosette Vandenbroucke Antal Bulanza

The network of knowledge

NA3 courses in Belgium

Hands on BEgrid/EGEE

BEgrid runs EGEE middleware

--> BEgrid used as T-Infrastructure

The network of knowledge

BEgrid

Belgian Grid for research

> 500 CPUs

**Supported by BELNET, the Belgian
NREN**

> 400 valid certificates

Integrated in EGEE

Bilateral cooperation with NLgrid

The network of knowledge

NA3 courses

1 day event

- at BEgrid people bring their laptop
- at institutions (universities, private companies): PC rooms
- Participants get access to BEgrid for one year (as member of VO BEtest)
- 6 training events
- ~100 persons followed the trainings
- trainees become trainers for their colleagues

The network of knowledge

Courses planned this year

- 3 sessions of Hands -on training
- gLite for Computer Scientists
- gridcluster installation (Quattor based) with training equipment available at BELNET
