- **IPB is partner No. 73 in EGEE-II, part of SEE federation**
- **Involved in NA2, NA3, NA4, and SA1 activity**
- **In NA3, IPB is responsible for:**
 - Preparation and customization of training materials
 - Organization and implementation of local training events
 - Participation in EGEE-wide training activities
 - Gathering feedbacks on training events
- **NA3 effort for PP1 Apr 2006 – Mar 2007: 12.09 PM**
 - Expected effort: 12 PM (12 months x 24 PM / 2 years)
- **NA3 effort reported for Apr 2007 – Sep 2007: 7.46 PM**
 - Expected effort: 6 PM (6 months x 24 PM / 2 years)
- **Overall - slightly above the expected effort**

- **gLite Site Administrator Training, 24 June 2006, Kragujevac, Serbia**
- **Lecture on Using gLite WMS, 27 July 2006, IPB**
- **gLite Training Event, 2 November 2006, Podgorica, Montenegro**
- **EGEE and AEGIS User Training Event, 19 January 2007, Novi Sad, Serbia**
- **Lecture on Grid Computing, 4 March 2007, Petnica Science Center, Serbia**
- **Lecture on Grid Computing, 13 April 2007, Faculty of Natural Sciences and Mathematics, University of Nis, Nis, Serbia**
- **Site Administrators' Training: Python I, 16 July 2007, IPB**
- **Site Administrators' Training: Python II, 20 July 2007, IPB**

- **IPB participated in the following EGEE-II NA3-related meetings**
 - EGEE-EGEE-II Transition Meeting on 12-13 April 2006
 - EGEE Final Review on 23-24 May 2006
 - GridKA School, 11-15 September 2006
 - gLite Application Developers Course, 23 September 2006, CERN
 - Training the Trainers, 24 September 2006, CERN
 - EGEE'06 Conference on 25-29 September 2006
