

Enabling Grids for E-science

EGEE-II NA2 Activity in Poland

*Wojciech Wiślicki, Dorota Stojda
ICM UW, Warsaw, Poland*

www.eu-egee.org

- **News Releases**

- original – The EGEE cluster at the Warsaw University (ICM UW), EGEE gets Grid - wise (Gridwise Tech)
- translated – The second phase of the EGEE project & the EGEE Industry Day, EGEE grid attacks avian flu, WISDOM's new fight against malaria

- **Press cuttings**

- May 2006, Network, "Heavy Grid Cluster at ICM UW"
- June 2006, Computerworld, "Powers on request"
- September 2007, digital versions of PC World Computer and IT Partner, „Seven IT Miracles of the World – The Largest Computer Network of Science – EGEE II Project”

- **Radio**
 - March 2007, Radio Campus, a programme „Talk about Grid”, an interview with EGEE Warsaw Team, the conversation based on a scenario prepared by us
- **Television: Academic Scientific TV (ATVN), www.atvn.pl**
 - A scenario of a programme about Grid technology prepared by EGEE Warsaw Team, production planned by the end of 2007

- **www.polgrid.pl**
 - 11 sections with information about Grid, EGEE project, local resources, user supports, courses etc.
 - All news releases and media issues are accessible there
 - Polish and English version

- **Events attended (presentations, promotional materials)**
 - Warsaw Technical University, June 2006 (lecture A. Padee)
 - International Workshop of the Computing Section of International Committee for Future Accelerators, October 2006, Cracow (talk W. Wislicki)
 - PhD course at A. Soltan Institute, January 2007 (lecture W. Wislicki)
 - Symposium at A.Soltan Institut for Nuclear Studies, June 2007, Warsaw (talk K. Nawrocki)
 - 34th European Physical Society Conference on Plasma Physics, July 2007, Warsaw (promotion materials)
 - IEEE Euroconference, September 2007, Warsaw (talk W. Wislicki, to be printed in proceedings)

- **Events organised**

- Advanced Course on Grid Technology, November 2006, Warsaw

NEXT

- Advanced Course on Grid Technology,
21th – 24th Novembre 2007, Warsaw
(information & registration: www.polgrid.pl)
