Enabling Grids for E-sciencE
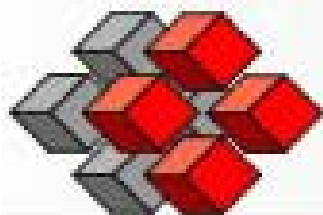

- **Events planned/organized by ETH Zurich / CSCS during EGEE-II**
  - Swiss Grid Day at the EGEE06 conference in Geneva
    - All projects with Swiss involvement have been present
    - Start of the Swiss Grid Initiative
  - Swiss Grid Crunching Demo, December 2006, Fribourg, CH
    - Interoperability Demonstration of sharing the EGEE infrastructure and the Supercomputing infrastructure at CSCS
    - Swiss Industry was well represented
  - International School of Grid Computing 07 in Sweden (Mariefred)
    - One full day session (on Data Management) organized and held by Peter Kunszt (CSCS)
  - Swiss Grid School September 07 – cancelled (we lost one key personnel in the beginning of 2007 and weren't able to replace him in time)

- **NEXT events**
  - Swiss National Grid and Swiss Bio Grid day with EGEE, December 2007
