

Session Program

1-5 Oct 2007

EGEE'07

RINGrid: Remote instrumentation in contemporary science

Europe Congress Center
Budapest Hungary

Thursday 4 October

11:00

RINGGrid: Remote instrumentation in contemporary science

Session | **Location:** Europe Congress Center, Brussels, Budapest Hungary

11:00-11:20

User requirements for interactive controlling and monitoring of applications in grid environments

Speaker

Isabel Campos Plasencia

11:20-11:40

RINGGrid: Evaluation of Remote Instrumentation Infrastructures

Speaker

Martin Polak

11:40-12:00

Workflow management in remote instrumentation systems - e-VLBI experiences

Speaker

Dominik Stokłosa

12:00-12:20

On the evaluation of platforms for remote instrumentation on the Grid

Speaker

Mr Constantinos Kotsokalis

12:20-12:30

Discussion

12:30
