

## **Session Program**

**1-5 Oct 2007**

**EGEE'07**

# ***DILIGENT - Dynamic Digital Libraries and Virtual Research Environments on the Grid***

Europe Congress Center  
Budapest Hungary

## Thursday 4 October

14:00

### **DILIGENT - Dynamic Digital Libraries and Virtual Research Environments on the Grid: the gCube framework**

**Session** | **Location:** Europe Congress Center, Amsterdam, Budapest Hungary

14:00-14:05 **Welcome**

**Speaker**

Franco Zoppi

14:05-14:20 **gCube overview: exploiting the grid to create and manage VREs**

**Speaker**

Dr Pasquale Pagano

14:20-14:35

### **Process Management in gCube: Supporting Distributed Grid Applications by Service Composition**

**Speaker**

Evangelos Floros

14:35-14:45 **Identity management issues in the gCube framework**

**Speaker**

Paolo Rocchetti

14:45-15:00 **Content and Storage Management in gCube**

**Speaker**

Dr Pasquale Pagano

15:00-15:30 **A Service-Composed Information Retrieval Engine**

**Speaker**

George Kakalettris

15:30

16:00

### **DILIGENT - Dynamic Digital Libraries and Virtual Research Environments on the Grid: infrastructure and applications**

**Session** | **Location:** Europe Congress Center, Amsterdam, Budapest Hungary

16:00-16:10 **The DILIGENT infrastructure: running gCube and gLite**

**Speaker**

Pedro Andrade

16:10-16:30 **ImpECt - Implementation of Environmental Conventions**

**Speaker**

Andrea Manzi

16:30-16:40 **SAPIR - Search In Audio Visual Content**

**Speaker**

Dr Matteo Mordacchini

17:30

16:40-17:30

**Panel - Exploiting the Grid: approaches, experiences and possible synergies**
