

## **Session Program**

**18-22 Mar 2013**

# **ICFA Mini-Workshop on Beam-Beam Effects in Hadron Colliders (BB2013)**

## ***Summary and Discussion***

CERN, 6/2-024 - BE Auditorium Meyrin

# Friday 22 March

08:25

## Summary and Discussion

**Session** | **Location:** CERN, 6/2-024 - BE Auditorium Meyrin | **Convener:** Alex Chao

### 08:30-08:35 Opening Remarks

**Speaker**

Alex Chao

### 08:35-08:55 Summary: Observations in hadron colliders

**Speakers**

Guido Sterbini, Oliver Bruning

### 08:55-09:15 Summary: Observations in lepton colliders

**Speaker**

John Seeman

### 09:15-09:35 Summary: Single particle effects I

**Speaker**

Katsunobu Oide

### 09:35-09:55 Summary: Single particle effects II

**Speakers**

Dr Elias Metral, Dr Vladimir Shiltsev

10:00

10:30

## Summary and Discussion

**Session** | **Location:** CERN, 6/2-024 - BE Auditorium Meyrin | **Convener:** Alex Chao

### 10:30-10:50 Summary: Theory and simulations

**Speaker**

Dr Tatiana Pieloni

### 10:50-11:10 Summary: Beam-beam Compensation

**Speaker**

Dr Wolfram Fischer

### 11:10-11:30 Summary: Operational aspects

**Speaker**

Dr Giulia Papotti

### 11:30-11:50 Summary: Strong-strong and coherent effects

**Speaker**

Prof. Leonid Rivkin

### 11:50-12:10 Summary: Future projects

**Speaker**

Alexander Valishev
