

Session Program

1-12 Oct 2012

TH/LPCC Institute on SM at the LHC
NLO calculations - automation (or not)

CERN, TH Theory Conference Room

Monday 1 October

10:00

NLO calculations - automation (or not)

Session | Location: CERN, TH Theory Conference Room

10:00-10:15 **Automatic NLO calculations with GoSam via BLHA**

Speaker

Gionata Luisoni

10:15-10:30

Ingredients for describing production and decay of massive short-lived particles with non-trivial decay chains

Speaker

Markus Schulze

10:30-10:45 **NLO HELAC**

Speaker

Costas Papadopoulos

11:00
