

## **Session Program**

**19-21 Apr 2006**

# **SpacePart '06**

## ***Particle Physics in Space***

Ruxin Conf. Center, Beihang University, Beijing  
Beijing, China

## Wednesday 19 April

15:30

### Particle Physics in Space

Session | Location: Ruxin Conf. Center, Beihang University, Beijing, Beijing, China

15:30-16:00 **Open issues in the standard model of particle and fields**

**Speaker**

Prof. Antonio Masiero

16:00-16:30 **AMS-02 A particle physics experiment in space**

**Speaker**

Prof. Roberto Battiston

16:30-16:50 **Cosmological Matter-Antimatter asymmetry and neutrino**

**Speaker**

Dr Xing Zhizhong

16:50-17:20 **Evidence for DM from Cosmic Rays?**

**Speaker**

Dr W. De Boer

17:20-17:45 **The PAMELA space mission**

**Speaker**

Dr Marco Ricci

17:45-18:10 **The CALET experiment on the ISS**

**Speaker**

Dr S. Torii

18:10-18:35 **Dark Matter Searcher (DMS)**

**Speaker**

Dr Chang Jin

18:35
