Why a Mid-Term Review ?

A contractual obligation with various objectives:

- **Meet** with the project team
- **Update** on the project progress
- **Discuss** any questions, concerns, difficulties
- **Find** solutions

Not just a scientific evaluation

Some obligations of the consortium

- Carry out the work as identified in **Annex I** (efficiently and timely)
- Select fellows according to the **eligibility** criteria, conclude employment contracts, and establish a Career Development Plan
- Execute, by due dates, all **payments to the researcher** (Marie Curie rates!)
- Provide all needed **infrastructures and conditions** for the successful completion of the project
- Provide **reasonable assistance** to the fellows in all administrative procedures
- Provide information to REA and Court of Auditors (up to 5 years after the project completion)
