

## **Session Program**

**26-28 Sept 2012**

# **Faggruppemøte for subatomær fysikk og astrofysikk**

## ***Session 5***

Universitetet i Bergen  
Allégaten 55 5007 Bergen

# Thursday 27 September

13:45

## Session 5

**Session** | **Location:** Universitetet i Bergen, Bachelorrommet, Allégaten 55 5007 Bergen

13:45-14:15

### The High-Level Trigger of the ALICE Experiment at CERN - An Overview

**Speaker**

Dinesh Ram

14:15-14:30

### Chiral phase transition in finite temperature and densities for three flavour QCD

**Speaker**

Jonas R. Glesaaen

14:30-14:45

### Indirect detection of dark matter annihilations

**Speaker**

Lars Einar Stieng

14:45-15:15

### $B_s \rightarrow \mu^+ \mu^-$ in ATLAS

**Speaker**

Maren Ugland

15:15
