

Beyond Standard Model in Particle Physics

Friday, 20 July 2012

Exotic Plenary Session (14:00 - 15:30)

time	[id] title	presenter
14:00	[101] Joseph Izen : 4th generation and vector quark searches at the LHC	
14:30	[110] Frederik Ruehr : Searches for large extra dimensions at LHC	
15:00	[111] Martin Weber : Searches for new resonances
