

First Mediterranean Thematic Workshop on Advanced Molecular Brain Imaging with Compact High Performance MRI-Compatible PET and SPECT Imagers – Potential for a Paradigm Shift

Thursday, 30 August 2012

Electronics: (12:20 - 12:50)

time	[id] title	presenter
12:20	[30] The Role of FPGAs and Reconfigurable Acquisition in Future PET/SPECT Systems	VEERAPPAN, A.
