

International Workshop on Grand Unified Theories: Current Status and Future Prospects

Tuesday, 18 December 2007

Plenary Talks - Epoch Ritsumei 21 (09:00 - 12:20)

time	[id] title	presenter
09:00	[91] Family Symmetry and GUTs	Prof. KING, Steve. F.
09:50	[66] Proton Decay and Flavor Violating Thresholds in SO(10) Models	Dr MIMURA, Yukihiro
10:40	break	
11:10	[68] String compactification and unification of forces	Prof. KIM, Jihn. E.
12:00	[69] Three family GUT-like models from heterotic string	Mr TAKAHASH, Kei-Jiro
