

Session Program

28 June 2012 to 4 July 2012

**International Conference on New Frontiers in
Physics**

Friday Evening Parallel IV

Kolymbari, Crete, Greece

Tuesday 3 July

17:45

Friday Evening Parallel IV

Session | **Location:** Kolymbari, Crete, Greece

17:45–18:10

STAR highlights**Speaker**

Prof. Sonia Kabana

18:10–18:35

Recent results from PHENIX on the evolution of hot QCD**Speaker**

Norbert Novitzky

18:35–19:00

Realization of electronic systems operating on dynamical physical signals**Speaker**

Elena Hammari

19:00–19:25

no title

19:25–19:50

No title

19:50
