

International Conference on New Frontiers in Physics

Wednesday 4 September 2013

Plenary: Session 1: Mathematical physics, graviity, quantum optics, particle physics (08:30 - 10:00)

-Conveners: Hanna Zbroszczyk

time	[id] title	presenter
08:30	[294] Gravity induced by quantum spacetime	MAJID, Shahn
09:00	[295] Quantumness of Gaussian Discord	KOROLKOVA, Natalia
09:30	[296] Recent precision measurements of the proton structure at HERA	PLACAKYTE, Ringaile
