

## **Session Program**

**28 August 2013 to 5 September 2013**

# **International Conference on New Frontiers in Physics**

## ***Parallel 2***

Kolymbari, Crete, Greece

## Tuesday 3 September

18:10

### Parallel 2: Particle physics overviews

**Session** | **Location:** Kolymbari, Crete, Greece | **Convener:** Giuseppina Anzivino

18:10-18:35 **Exotica at the CMS**

**Speaker**

Malgorzata Kazana

18:35-19:00 **Forward Physics at the CMS**

**Speaker**

Grzegorz Brona

19:00-19:25 **Review of heavy flavour physics results from the ATLAS experiment**

**Speaker**

Dr Dario Barberis

19:25-19:50 **Review of results on exotic searches from the ATLAS experiment**

**Speaker**

Samuel Ross Meehan

19:50
