

DISCRETE 2012 - Third Symposium on Prospects in the Physics of Discrete
Symmetries

Contribution ID: 78

Type: **not specified**

Charm mixing and CP violation (LHCb)

Monday, 3 December 2012 14:30 (25 minutes)

Presenter: UKLEJA, Artur (National Centre for Nuclear Research (PL))

Session Classification: P1 –CPV and TV

Track Classification: Experimental prospects at LHC and other present experimental facilities
