

## **Session Program**

**23-28 Sept 2007**

## **Vertex 2007**

# ***Vertexing, track reconstruction and alignment strategy***

Lake Placid, Crowne Plaza Hotel, Olympic 3-4  
New York, USA

## Wednesday 26 September

08:30

### Vertexing, track reconstruction and alignment strategy

**Session** | **Location:** Lake Placid, Crowne Plaza Hotel, Olympic 3-4, New York, USA

08:30–08:50

#### Vertex and track reconstruction in Atlas

**Speaker**

Wolfgang Liebig

09:00–09:20

#### Track Reconstruction and Experience with Cosmic Ray Data in CMS

**Speaker**

Carsten Noeding

09:30–09:50

#### Vertex, Track Reconstruction and Luminosity Monitoring at LHCb

**Speaker**

Jianchun Wang

10:00–10:20

#### Alignment strategy for LHCb

**Speaker**

Sebastien Viret

10:30–11:00

#### Coffee Break

11:00–11:20

#### Tracker alignment strategy in CMS and experience with cosmic ray data

**Speaker**

Gero Flucke

11:30–11:50

#### Alignment strategy for the ATLAS tracker

**Speaker**

Tobias Golling

12:00
