

Session Program

21-27 Jul 2013

Strangeness in Quark Matter

Plenary 8

The University of Birmingham
Birmingham B15 2TT United Kingdom

Thursday 25 July

09:00

Plenary 8

Session |**Location:** The University of Birmingham, Arts Large Lecture Theatre - Room 120, Birmingham B15 2TT United Kingdom

09:00-09:30

Hydrodynamic models of particle production - p-Pb collisions

Speaker

Piotr Bozek

09:30-10:00

Interpretation of strange hadron production at LHC

Speaker

Michal Petran

10:00-10:30

Confronting LHC data with the statistical hadronization model

Speaker

Johanna Stachel

10:30
