Future of CKM workshops

- Decided to create a small “Standing Advisory Committee for the CKM Series” to guarantee the continuity of the Workshop and also to discuss future orientations
- Members (among those who created the workshop and/or organised one (...and still active in the field))
 - Achille Stocchi (LAL)
 - Paolo Gambino (Torino)
 - Roger Forty (CERN)
 - Toru Iijima (Nagoya)
 - Tim Gershon (Warwick)
 - Alan Schwartz (Cincinnati)
 - Andreas Kronfeld (FNAL)
 - Andrzej Buras (TUM)

Now discussing proposals for CKM2014
