

Session Program

16-18 Jan 2013

**From Classical to Quantum GR: Applications
to Black Holes**

***Review of General Relativity including Black
Holes***

University of Sussex, Shawcross AS01
Physics and Astronomy Falmer Brighton, BN1 9QH United Kingdom

Wednesday 16 January

09:30

10:50

Review of General Relativity including Black Holes: Elizabeth Winstanley

Session |

Location: University of Sussex, Shawcross AS01, Physics and Astronomy Falmer Brighton, BN1 9QH United Kingdom
