Welcome to the Large Hadron Collider Physics Conference

We are delighted to welcome you to the First LHCP Conference.

The conference is part of a series of international conferences, "Heavy Ion Physics" (HIC2012) and "Heavy Ion Collider Physics Symposium" (HICP2012). With a program devoted to topics such as the Standard Model and Beyond, the Higgs Boson, Supersymmetry, Beauty and Heavy Ion Physics, the conference aims at providing a lively forum for discussion between experimenters and theorists of the latest results and of new ideas.
