Non LHC VOs Discussion

Christopher J. Walker

Queen Mary
University of London

- How much data is a VO storing?
 - No easy way to tell
 - Walk the LFC
 - Standard scripts?
 - Syncat dumps
 - Manpower intensive
- Data Management
 - FTS doesn't register in LFC
 - Could Ganga do it for them?
 - Data Blinding - Is Hydra an answer?
- What Else?
 - Audience to answer

- Data management
 - Rucio?
 - Webdav filesystem
 - Xrootd in short term?
- Job management
 - Ganga
 - Panda
 - Dirac
- MPI Jobs?
- But what do we do now?
 - Discuss
