

Session Program

22-24 May 2013

**Training on quantum detection, single-photon
imaging, SiPMs, SPADs**

***Single-Photon Technology in Medicine (2nd
Module)***

TU-Delft
Netherlands

Wednesday 22 May

14:00

Single-Photon Technology in Medicine (2nd Module)

Session | **Location:** TU Delft, Vassiliadis room HB10.240 (High Building, 10th floor, room 240) | **Convener:** York Haemisch

14:00-15:30

Single-photon technology for HEP

Speaker

York Haemisch

15:30-15:45

Coffee break

15:45-17:30

The transition from HEP to Medical Imaging

Speaker

York Haemisch

17:30
