

## **Session Program**

**3-6 Mar 2013**

# **Common Technological Projects between CERN and Israel**

## ***Silicon Detectors Related issues***

Weizmann Institute of Science, Drory Auditorium  
234 Herzl Street, Rehovot 76100 Israel

## Sunday 3 March

11:10

### Silicon Detectors Related issues

**Session** | **Location:** Weizmann Institute of Science, Drory Auditorium, 234 Herzl Street, Rehovot 76100 Israel

11:10-11:25

#### **Presentation on Si-Ge needs for high quality ampl.**

**Speaker**

Roberto Cardarelli

11:25-11:40

#### **Presentation of Tower activities on Si-Ge and others.**

**Speaker**

G. Zerbib

11:40-12:00

#### **Presentation of developments and needs in Si detectors work at CERN**

**Speaker**

Didier Ferrere

12:00-12:20

#### **Presentation by Applied Materials**

**Speaker**

T. Kuzniz

12:20
