

Session Program

8-10 Apr 2013

IOP Institute of Physics **2013** High Energy and
Astro Particle Physics

IOP 2013 - HEPP & APP Group Meeting

Plenary - Theory and Future

University of Liverpool, Central Teaching Hub

Tuesday 9 April

10:30

Plenary - Theory and Future

Session | **Location:** University of Liverpool, Lecture Theatre A, Central Teaching Hub | **Convener:** Brian Foster

10:30-11:00 **Precision Physics with leptons: $g-2$, LFV and EDMs**

Speaker
Thomas Teubner

11:00-11:30 **Status of Cosmology and Implications for PP**

Speaker
Prof. Edmund Copeland

11:30-12:00 **Where we go from here?**

Speaker
Ben Gripaios

12:00-12:30 **Future Facilities: The European Strategy**

Speaker
Tatsuya Nakada

12:30
