

Session Program

8-10 Apr 2013

IOP Institute of Physics **2013** High Energy and
Astro Particle Physics

IOP 2013 - HEPP & APP Group Meeting ***Plenary - PP Experimental, Flavour and*** ***Neutrinos***

University of Liverpool, Central Teaching Hub

Monday 8 April

16:00

Plenary - PP Experimental, Flavour and Neutrinos

Session | **Location:** University of Liverpool, Lecture Theatre A, Central Teaching Hub | **Convener:** Dave Wark

16:00–16:30 **Status of Quark Flavour Physics**

Speaker

Tim Gershon

16:30–17:05 **Future Long-Baseline Neutrino Experiments**

Speaker

Prof. Robert Wilson

17:05–17:25 **Non Accelerator Neutrino Physics**

Speaker

Jeanne Wilson

17:25–17:45 **Absolute mass and neutrinoless double beta decay**

Speaker

Dr Justin Evans

17:45–18:15 **Direct dark matter detection**

Speaker

Dr Chamkaur Ghag

18:15
