Lectures and Discussion Groups

- Lectures last 1h15, plus some time for questions
 - Please don't be shy to ask questions, even if they seem basic!
- Six discussions groups A-F
 - Each student is assigned to a group
 - Please check the list that is posted in corridor outside of the auditorium to see which group you are in
 - Discussion Leader stays with the same group for the full two weeks
 - Lecturers are invited to visit the groups
 - Help answer detailed questions on their courses
 - Discussion sessions should be driven by questions from the students
 - Please make notes of points that you did not understand in the lectures or other questions that you might have
 - Make use of the handouts (copies of the presentations of the lecturers) that we will try to distribute before each lecture

Discussion Leaders

- Discussion Groups
 - Group A: Andrej Arbuzov
 - Group B: Tamas Biro
 - Group C: Monika Blanke
