

Session Program

29 November 2012

TOP LHC WG meeting

Current combination activities

CERN, 40/S2-D01 - Salle Dirac

Thursday 29 November

13:45

Current combination activities

Session | **Location:** CERN, 40/S2-D01 - Salle Dirac

13:45–14:00

Status of top mass (world) average

Speaker

Martijn Mulders

14:00–14:15

Status of LHC top pair cross section combination

Speaker

Elizaveta Shabalina

14:15–14:30

Status of LHC single top cross section combination

Speakers

Julien Noce Donini, Julien Noce Donini

14:30–14:45

Status of W helicity LHC combination

Speaker

Dr Mara Senghi Soares

14:45–15:00

Discussion

15:00
