

TWEPP-08 Topical Workshop on Electronics for Particle Physics

15-19 September 2008

Naxos - GREECE

WELCOME

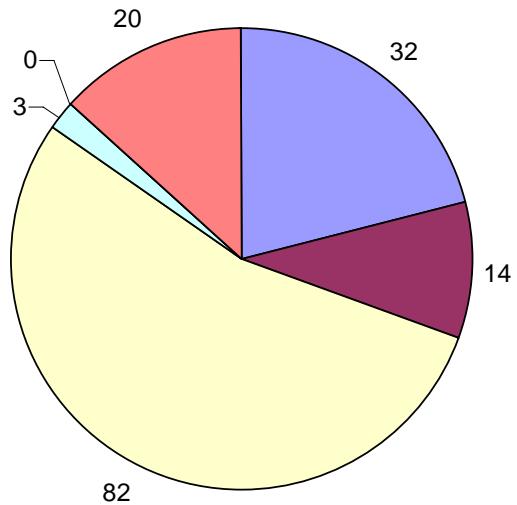

WELCOME

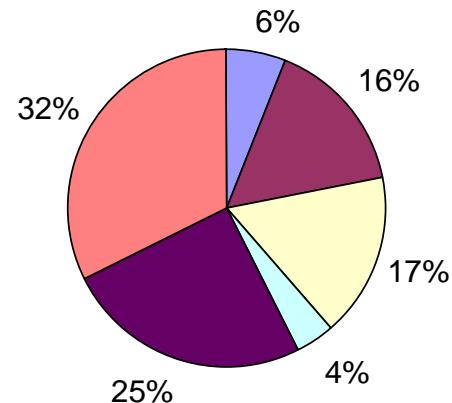

- 152 participants [161 in 2007]
- 126 presentations (61 oral and 65 poster) [59 oral 28 poster]
- 11 invited talks [10]
- 3 Working Group Meetings (micro, opto, power) [2]
- Topical day on LHC upgrades
- Tutorial on "Designing PCBs not to fail"
- Proceedings
 - authors please give your manuscript and copyright form to Evelyne Dho before the end of the workshop, or before 30 Sep.
