

HEPiX Spring 2013 Workshop

Contribution ID: 65

Type: **Presentation**

Energy Optimisation

Monday, April 15, 2013 3:15 PM (15 minutes)

This talk will address the topic of energy saving aspects of data centre operations and raise the question of whether HEPiX wishes to have a common effort on this topic, e.g. to set up a working group or to have a track at a future workshop on this topic.
