

*** Thorium Energy Conference 2013 (ThEC13) * CERN Globe of Science and Innovation, Geneva, Switzerland**

Sunday 27 October 2013 - Thursday 31 October 2013

CERN

Programme Overview

SUMMARY

Sunday October 27, 17:00: Reception and conference check-in at Hotel President Wilson, downtown Geneva.

We recommend that the participants get their pass to enter the conference at the reception, on Sunday, because it will be difficult to get the pass at the entrance of the Globe on Monday morning on time for the start of the conference.

There will be no entrance to CERN without a pass.

Monday October 28, 8:30: Opening ceremony in the CERN Globe and conference photo

Monday, Tuesday, Wednesday: Scientific programme

Tuesday October 29, 19:30: Conference banquet at Hotel President Wilson

Thursday October 31, afternoon: Visit of CERN facilities. This will be a unique opportunity to visit one of the LHC experimental underground caverns, as the LHC will be in shutdown mode. The visit will also include the LHC magnet test facility known as SM18. Early registration for the visit is recommended.

Thursday October 31, morning:

- Last session of scientific programme
- Round table discussion
- Conclusion of the conference
