

# **Realtime Astroparticle Physics**

**Monday, 4 February 2013 - Wednesday, 6 February 2013**

**Universität Bonn**

## **Scientific Programme**

<big>In this workshop we aim to bring together experimentalist and theoreticians from all areas:</big>

<span style="font-size: 16px;">Gravitational waves</span>

<big>Neutrino astronomy</big>

<big>Optical wide-field surveys</big>

<big>Gamma-ray astrophysics</big>

<big>X-ray transient searches</big>

<big>Radio transient searches</big>

<big>Transients astrophysical sources: theory and observations</big>
