

XLOB Europe
2013

May 28-29 - CERN, Geneva

Welcome!

WIFI access

- Connect to the “CERN” public network
- Start your web browser and follow the procedure for **visitors**
 - When asked for a local contact please use Dirk Duellmann
 - Be patient and reboot (or reconnect) when instructed by the browser window.
- We count on your attention despite the WIFI :-)

Coffee Breaks

- Are sponsored by CERN IT - thanks!
- Will be served in front of this room
- Demos will be shown in here during some of the breaks
- please chat / network in the coffee area

Lunch

- Takes place in the CERN cafeteria today and tomorrow (ground floor of this building)
- we have reserved a table “XLDB”
- The workshop is free - but “there’s no free lunch”
 - please pay in CHF (or Euro)
 - ATMs are available on the ground floor

ATLAS Experiment Visits

- We had to be rescheduled due to last minute changes
- Big thanks to ATLAS secretariat and Visit Service for their last minute arrangements
- ALL group visits will have to take place tomorrow between 10:30 and 12:50
- two busses on Wed at 10:30 and 10:40
 - name lists with guide name in the coffee area
- short lunch break after return to this building

Lightning talks “on Demand”

- We have a few slots for short 5 min statements on Wed afternoon at 14:00
- Proposals: please send an email with a short topic to dirk.duellmann@cern.ch today
- Selection: we will circulate a doodle with all proposals for you to vote before the coffee break tomorrow morning

Presentations

- Slides please at least 1h before the session
- Please upload directly to the agenda page using your abstract submission account
- In case you need to project from your device please test during break and warn session chairs
- Please stay on time..

Many Thanks to
