

Session Program

14-16 Jan 2013

**Workshop on Heavy Flavor Production at
Hadron Colliders**

Open b/c and b -jet production II

LBNL, Perseverance Hall

Tuesday 15 January

10:45

Open b/c and b-jet production II

Session | Location: LBNL, Perseverance Hall

10:45-11:25

Cross sections for inclusive heavy flavors at the LHC

Speaker

Matteo Cacciari

11:35-12:05

CMS results on b- and c-hadron and b-jets

Speaker

Hella Snoek

12:10-12:30

b-jet cross sections in ATLAS

Speaker

Cecile Lapoire

12:45
