

Session Program

14-16 Jan 2013

**Workshop on Heavy Flavor Production at
Hadron Colliders**

New Physics Searches with b -jets II

LBNL, Perseverance Hall

Wednesday 16 January

10:35

New Physics Searches with b-jets II

Session | **Location:** LBNL, Perseverance Hall | **Convener:** Joshua Thomas Ruderman

10:35-11:20

Theoretical Perspective on 3rd Generation Searches

Speaker

Jacob Wacker

11:25-11:55

ATLAS searches related to the 3rd generation

Speaker

Mark Stephen Cooke

12:25
