

Session Program

26-31 May 2013

Blois2013: 25th Rencontres de Blois on "Particle Physics and Cosmology"

Neutrino Physics

Gaston d'Orléans
Château de Blois, Blois, Loire Valley, France

Thursday 30 May

08:30

Neutrino Physics

Session | **Location:** Gaston d'Orléans, Château de Blois, Blois, Loire Valley, France

08:30–09:00 **Oscillations with 3, 4, or 5 neutrino generations**

Speaker

Thomas Schwetz

09:00–09:30 **Long term neutrino prospects**

Speaker

Brajesh Choudhary

09:30–10:00 **BSM neutrino physics confronted to the LHC**

Speaker

Asmaa Abada

10:00–10:30 **Neutrinos and cosmology (including sterile neutrino searches)**

Speaker

Pasquale Serpico

10:30
