

# Thin Planar Detectors: Status Report

*Tuesday 13 November 2007 09:50 (20 minutes)*

Status of the R&D on thin planar detectors:

- Design and layout of test structures.
- Procurement and processing of the SOI-FZ test wafers
- Procurement and processing of the EPI wafers
- Simulations
- Irradiation plans

**Primary author:** MOSER, Hans-Günther (Max-Planck-Institut)

**Presenter:** MOSER, Hans-Günther (Max-Planck-Institut)

**Session Classification:** 3D detectors & Simulations & New structures

**Track Classification:** 3D Detectors and New Structures
