Sep 23 - 27, 2013

TWEPP 2013 - Topical Workshop on Electronics for Particle Physics

Plenary 4

Perugia, IT

Congress center Giò Via R. D'Andreotto, 19 06124 Perugia (PG) Italy

Wed, September 25

2:00 PM

Plenary 4: Optoelectronics

Session |

Location: Perugia, IT, Town Hall, Congress Center, Congress center Giò Via R.

Address: Via R. 65, 06124 Perugia (PG) Italy |

2:00 - 2:45 PM

What does it take to engineer and mass-produce a reliable parallel optics module... Or is it good enough to just have a good VCSEL and PIN array?

Speaker

Marco Fornasari

2:45 PM
