

## **Session Program**

**11-15 Feb 2013**

# **Jet quenching: the interface between theory and experiment**

## ***Characterizing jet quenching: experimental issues***

CERN, 4/3-006 - TH Conference Room

## Tuesday 12 February

15:00

### Characterizing jet quenching: experimental issues

**Session** | **Location:** CERN, 216/R-401 - Salle polyvalente PUMP HALL | **Convener:** Nestor Armesto Perez

**15:00–15:20**   **Introductory remarks**

**Speaker**

Nestor Armesto Perez

**15:20–15:40**   **Jet reconstruction and corrections in ALICE**

**Speaker**

Marta Verweij

**15:40–16:00**   **Aspects of HI jet reconstruction in ATLAS**

**Speakers**

Aaron Richard Angerami, Brian Cole, Martin Spousta

**16:00–16:20**   **Jet Reconstruction and Underlying Event treatment in CMS**

**Speaker**

Yetkin Yilmaz

18:00
