

Introduction

Enrico Chesta

EIROforum Science-Business WAMAS

Workshop on Advanced Materials and Surfaces

CERN, 19-20 November 2013

WAMAS: the concept

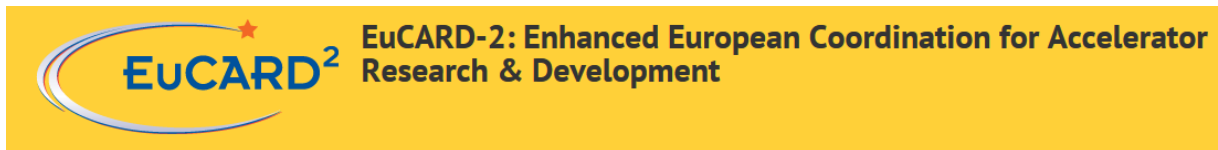

1st Thematic Workshop organized by the EIROforum TWG-IMKTT

1st Brokerage Event organized in collaboration between CERN KT and EEN/CCI RA

1st Opportunity to present initial promising results from EuCARD-2 FP7 project

General Objective:

Building knowledge bridges between Research Organizations and Industry in the challenging, multidisciplinary and strategic field of Advanced Materials and Surfaces

WAMAS: the numbers

>160 registered participants

(1/3 Industry – 1/3 CERN – 1/3 EIROforum and other Research Laboratories)

10 countries and 8 international organizations represented

>70 technology profiles

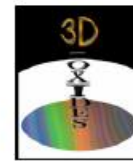

>200 pages catalogue (also book of abstract)

>300 meetings requested

7 industrial sponsors / exhibitors

WAMAS: the sponsors

WAMAS: the committees

Scientific committee

Sergio Calatroni - **CERN**
Richard Campbell - **ILL**
Mark Casali – **ESO**
Gianfranco Federici – **EFDA / F4E**
Roberto Felici – **ESRF**
Thomas Hansen – **ILL**
Frédéric Le Pimpec – **European XFEL**
Christopher Semprimoschnig - **ESA**
Stefano Sgobba (Chairman) - **CERN**
Mauro Taborelli – **CERN**

EIROforum organizing committee

Paola Batistoni – **EFDA-JET**
Enrico Chesta (Chairman) – **CERN**
Eileen Clucas - **ILL**
Aude De Clercq – **ESA**
Frédéric Le Pimpec – **European XFEL**
Gabor Lamm - **EMBLEM**
Edward Mitchell - **ESRF**
Enikoe Patkos - **ESO**
Frank Salzgeber - **ESA**

Local organizing committee

Matteo Castoldi – **CERN**
Enrico Chesta (Chairman) – **CERN**
Marina Giampietro – **CERN**
Marie-Christine Larchern – **CERN**
Vetle Nilsen – **CERN**

Tim Tsarfati - **CERN**
Silke Bachmann - **CERN**
Salvatrice Bufalino - **CCI Rhône-Alpes / EEN**
Etienne Fayolle - **CCI Rhône-Alpes / EEN**
Leo Tripiana - **CCI Rhône-Alpes / EEN**

WAMAS: the programme

PROGRAMME

TUESDAY 19 NOVEMBER 2013

INTRODUCTORY TALKS AND OVERVIEWS

SESSION ONE – SURFACE SCIENCE

CONFERENCE DINNER

DOMAINE DE
DIVONNE
GRAND HÔTEL™ - GOLF - CASINO

PROGRAMME

WEDNESDAY, 20 NOVEMBER 2013

SESSION TWO - ADVANCED MATERIALS DEVELOPMENT AND CHARACTERIZATION

LABORATORY VISITS

ATLAS
NEG LAB

14.30 - 17.30 / EEN BROKERAGE EVENT

WAMAS picture:
16h00

Dinner transport:
Meeting at 18h30 in
front of the Globe

Laboratory visits:
Btw 13h and 14h30,
several groups.
Info: Silke Bachmann
