

International Workshop on Breakdown Science and High Gradient
Technology (HG2013)

Contribution ID: 43

Type: **not specified**

Linac optimisation

Wednesday 5 June 2013 11:00 (25 minutes)

Presenters: SJOEBAEK, Kyrre Ness (University of Oslo (NO)); SJOBAL, Kyrre (CERN / Univ. Oslo)

Session Classification: High gradient technology applications: novel photon sources, FELs, medical and industrial applications II
